

## Deacons Registration

By God's will St.Mina Coptic Church of Calgary will start the process of organizing the Deacon's services. The deacons will be divided into two groups junior and senior group based primarily on age. The leader of the junior group may make a recommendations for deacons in junior group with good command of coptic hymns to join the senior group.

By joining the deacon group, you will acknowledge the duties and responsibilities that come with this important role in church and are defined by Father Aghathon and the leader of Deacons. Your commitment to learn and command coptic hymns as well as attending church services is an important start point for joining the St. Mina Deacons.
